12 Workshops featuring many prominent speakers including:

Rabbi Dovid Goldwasser

Doug Bunnell, PhD

Sondra Kronberg, RD

The Renfrew Center Foundation and The Orthodox Union are pleased to present a full day conference for mental health professionals, educators, clergy and families about women's body image issues and eating disorders within the Jewish community. Workshops will explore the role of hunger, shame and body hatred in the development of eating disorders.

Conference Objectives:

- Address the rise of eating disorders and related issues in the Jewish community.
- Build a bridge between modern therapeutic techniques and traditional values.
- Develop strategies for using Jewish tradition, culture, spirituality, text and ritual as resources for health.
